Discussion and decision to approve a Resolution moving the polling location for Ward 18 from Greenfield Public Library and Wards 19, 20 and 21 from Elm Dale School to Adoration Lutheran Church, 3840 W. Edgerton Ave. beginning in 2022 for all future elections.

SUMMARY: Resolution is attached.

For the last few years we were looking to find a new polling location for our wards that previously voted at Elm Dale School. We were interested in Adoration Lutheran Church, but the church did not have a pastor at that time and the church board did not want to make the decision without first having a pastor on board. Over the summer I reached out to Adoration Lutheran Church again and was told they have a new pastor now, Pastor Matthew Schlake-Kruse. Pastor Matt discussed with the church board the potential of having a polling location there, and they approved. Our staff went to look at the facility to determine if it would meet our needs and found that it would, as the rooms are spacious and there is plenty of parking available on site. The Wisconsin Elections Commission has approved our Polling Place Accessibility Survey for this location.

Discussion and decision to approve a Resolution moving the polling location for Wards 1, 2, 3 and 4 from Glenwood Elementary School, 3550 S. 51st Street to the Greenfield Community Center, 7215 W. Cold Spring Road beginning in 2022 for all future elections.

SUMMARY: Resolution is attached.

Looking ahead to 2022 we are hoping to reestablish as many of our polling locations as possible. Since 2019 we have been working on moving polling locations out of schools where voting areas cannot effectively be separated from students. While polling location options for wards 1-4 have been looked at, nothing has come to fruition yet. However, there is one promising option we are hopeful about. This particular facility is not willing to commit this year due to COVID-19, but would be willing to reassess in the future. Therefore, for the short-term we would move wards 1-4 to the Community Center joining wards 5-8 for now, with a long-term goal to move wards 1-4 to the new location. This would give us the time we need to establish polling locations within the statutory timeframes, as well as provide voters with timely notice of this change.

Discussion and decision to approve a Resolution moving the polling location for Wards 13, 14 and 15 from King of Glory Church, 4330 S. 84th Street to the Greenfield Public Library, 5310 W. Layton Ave. beginning in 2022 for all future elections.

SUMMARY: Resolution is attached.

With the inception of our electronic poll book technology, Badger Books, we are able to serve a larger voting population in a smaller space, with fewer election workers, at a quicker pace than we could do with our past paper processes. Wards 13, 14 and 15 are some of our smaller wards with fewer registered voters per ward than other wards have. It makes sense to move wards 13, 14 and 15 to the Greenfield Public Library to join wards 16 and 17 there, as those are also smaller wards. Combining these wards into one polling location saves money and makes sense for staffing purposes, as fewer election workers are needed to serve these voters. The King of Glory location would no longer be needed. With the Greenfield Public Library only about two miles away from King of Glory Church, it would be a convenient voting location for the voters it would serve.

Discussion and decision to approve a Facility Use Agreement with Adoration Lutheran Church to provide a polling location for elections.

SUMMARY:

Adoration Lutheran Church, 3840 W. Edgerton Avenue, would become the new polling location for Wards 18, 19, 20 and 21 and would replace the Elm Dale School location. The Facility Use Agreement would allow the City to rent the fellowship hall areas at the church to use as a polling location for voting for all elections in 2022 and 2023. Details are outlined in the agreement.

This change will take voting out of Elm Dale Elementary school where the gym cannot be separated off from rest of the school during elections due to the building layout. There is also significantly more parking available.

The new polling location is just a few blocks away from the previous location, so it will still be convenient for voters, even though the law does not require that a polling location be in the same ward, district or even the same city as the population it serves.

Adoration Lutheran Church is excited to work with the City of Greenfield, as they believe facilitating voting by offering residents a place to vote is important and they are happy to be a part of it.

RELATING TO:

Discussion and decision to **approve transferring \$35,000 from reserves to purchase materials for a building to store and protect equipment.**

SUMMARY:

As part of the yard Improvements at DPW, we would like to purchase materials for a building to store and protect equipment. The building would be erected by DPW.

The building would be used to store equipment seasonally. For example salters in the summer and mowing equipment in the winter. Storing the equipment indoors protects it from the elements and extends the life.

The original intent was to erect the old Walmart Garden Center building that was disassembled and stored in the DPW yard since 2013. After further consideration, we are much better served recycling the materials from the old building and buying new.

It is believed we would get a better product to better suit our needs for off season storage.

We are pricing 30' x 60' kits of materials from vendors.

The materials from the old building are worth approximately \$5,000 or more, which can be used to offset the cost.
