ATTACHMENT D - TERMS AND CONDITIONS

This is an attachment to the Master Agreement dated **January 24, 2022**, between the City of Greenfield (OWNER) and Ayres Associates Inc (CONSULTANT).

ARTICLE 6 - CONSTRUCTION COST AND OPINIONS OF COST

6.1 Construction Cost

The construction cost of the entire Project (herein referred to as "Construction Cost") means the total cost to OWNER of those portions of the entire project designed and specified by CONSULTANT, but it will not include CONSULTANT's compensation and expenses, the cost of land, rights-of-way, or compensation for or damages to, properties unless this Agreement so specifies, nor will it include OWNER's legal, accounting, insurance counseling or auditing services, or interest and financing charges incurred in connection with the Project or the cost of other services to be provided by others to OWNER pursuant to Attachment A.

6.2 Opinions of Probable Cost

6.2.1 Because CONSULTANT has no control over the cost of labor, materials, equipment or services furnished by others, or over Contractor(s)' methods of determining prices, or over competitive bidding or market conditions, CONSULTANT's opinions of probable Total Project Costs and Construction Cost provided for herein are to be made on the basis of CONSULTANT's experience, qualifications and judgment as an experienced and qualified professional, familiar with the construction industry; but CONSULTANT cannot and does not guarantee that proposals, bids or actual Project or Construction Costs will not vary from opinions of probable cost. If prior to the Bidding or Negotiating Phase OWNER wishes greater assurance as to Total Project or Construction Costs, OWNER shall employ an independent cost estimator.

6.2.2 Not used.

ARTICLE 7 - GENERAL CONSIDERATIONS

7.1 Standard of Performance

The standard of care for all professional services performed or furnished by CONSULTANT under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. CONSULTANT does not make any warranty or guarantee, expressed or implied, nor is this Agreement or contract subject to the provisions of any uniform commercial code. Similarly, CONSULTANT will not accept those terms and conditions offered by OWNER in its purchase order, requisition, or notice of authorization to proceed, except as set forth herein or expressly agreed to in writing. Written acknowledgement of receipt or the actual performance of services subsequent to receipt of such purchase order, requisition, or notice of authorization to proceed is specifically deemed not to constitute acceptance of any terms or conditions contrary to those set forth herein.

7.2 Reuse of Documents

All documents including Drawings and Specifications prepared or furnished by CONSULTANT (and independent professional associates and subconsultants) pursuant to this Agreement are instruments of service and CONSULTANT shall retain an ownership and property interest therein whether or not the Project is completed. OWNER may make and retain copies for information and reference in connection

with use and occupancy of the Project by OWNER and others; however, such documents are not intended or represented to be suitable for reuse by OWNER or others on extensions of the Project or on any other project. Any reuse without written verification or adaptation by CONSULTANT for the specific purpose intended will be at OWNER's sole risk and without liability or legal exposure to CONSULTANT, or to independent professional associates or subconsultants, and OWNER shall indemnify and hold harmless CONSULTANT and independent professional associates and subconsultants from all claims, damages, losses and expenses including attorneys' fees arising out of or resulting therefrom. Any such verification or adaptation will entitle CONSULTANT to further compensation at rates to be agreed upon by OWNER and CONSULTANT.

7.3 Electronic Files

7.3.1 OWNER and CONSULTANT agree that any electronic files furnished by either party shall conform to the specifications agreed to at the time this Agreement is executed and listed elsewhere. Any changes to the electronic specifications by either OWNER or CONSULTANT are subject to review and acceptance by the other party. Additional services by CONSULTANT made necessary by changes to the electronic file specifications shall be compensated for as Additional Services.

7.3.2 Electronic files furnished by either party shall be subject to an acceptance period of 60 days during which the receiving party agrees to perform appropriate acceptance tests. The party furnishing the electronic file shall correct any discrepancies or errors detected and reported within the acceptance period. After the acceptance period, the electronic files shall be deemed to be accepted and neither party shall have any obligation to correct errors or maintain electronic files.

7.3.3 OWNER is aware that differences may exist between the electronic files delivered and the printed hard-copy documents. In the event of a conflict between the hard-copy documents prepared by CONSULTANT and electronic files, the hard-copy documents shall govern.

7.4 Insurance

CONSULTANT shall procure and maintain insurance for protection from claims under workers' compensation acts, claims for damages because of bodily injury including personal injury, sickness or disease or death of any and all employees or of any person other than such employees, and from claims or damages because of injury to or destruction of property including loss of use resulting therefrom. Requirements for insurance are amended and supplemented as indicated in Attachment E.

7.5 Termination

The obligation to provide further services under this Agreement may be terminated by either party upon 30 days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party.

7.6 Controlling Law

This Agreement is to be governed by the law of the place of business of CONSULTANT at the address hereinbefore stated.

7.7 Successors and Assigns

7.7.1 OWNER and CONSULTANT each is hereby bound and the partners, successors, executors, administrators and legal representatives of OWNER and CONSULTANT (and to the extent permitted by paragraph 7.7.2 the assigns of OWNER and CONSULTANT) are hereby bound to the other party to this Agreement and to the partners, successors, executors, administrators and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements and obligations of this Agreement.

7.7.2 Neither OWNER nor CONSULTANT shall assign, sublet or transfer any rights under or interest in this Agreement (including, but without limitation, moneys that may become due or moneys that are due) without the written consent of the other, except to the extent mandated or restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent CONSULTANT from employing such independent professional associates and subconsultants as CONSULTANT may deem appropriate to assist in the performance of services hereunder.

7.7.3 Nothing under this Agreement shall be construed to give any rights or benefits in this Agreement to anyone other than OWNER and CONSULTANT, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of OWNER and CONSULTANT and not for the benefit of any other party.

7.8 Dispute Resolution

7.8.1 Negotiation. OWNER and CONSULTANT agree to negotiate all disputes between them in good faith for a period of 30 days from the date of notice prior to exercising their rights under the dispute resolution provision below or other provisions of this Agreement, or under law.

7.8.2 Mediation. If direct negotiations fail, OWNER and CONSULTANT agree that they shall submit any and all unsettled claims, counterclaims, disputes, and other matters in question between them arising out of or relating to this Agreement or the breach thereof to mediation in accordance with the Construction Industry Mediation Rules of the American Arbitration Association effective on the date of this Agreement prior to exercising other rights under law.

7.9 Exclusion of Special, Indirect, Consequential, and Liquidated Damages

CONSULTANT shall not be liable, in contract or tort or otherwise, for any special, indirect, consequential, or liquidated damages including specifically, but without limitation, loss of profit or revenue, loss of capital, delay damages, loss of goodwill, claim of third parties, or similar damages arising out of or connected in any way to the Project or this Agreement.

7.10 Betterment

If, due to CONSULTANT's negligence, a required item or component of the project is omitted from the construction documents, CONSULTANT's liability shall be limited to the reasonable cost of correction of the construction, less what OWNER's cost of including the omitted item or component in the original construction would have been had the item or component not been omitted. It is intended by this provision that CONSULTANT will not be responsible for any cost or expense that provides betterment, upgrade, or enhancement of the project.

Common Board of Public Works Meeting

Introduced By: Department of Neighborhood Services (Katz)

Date Introduced: February 22, 2022

RELATING TO:

Discussion and decision **to accept a grant from the Milwaukee Metropolitan Sewerage District to fund stormwater improvements as a part of the Honey Creek Stream Restoration project.**

SUMMARY:

The City of Greenfield has been awarded a grant in the amount of \$802,453 for stormwater improvements as a part of the larger Honey Creek Stream Restoration project. The grant will pay 100% of eligible costs with no local match required.

During wet weather, stormwater enters the sewerage system, increasing the volume of wastewater the MMSD must collect and treat.

During wet weather, stormwater directly enters surface water, increasing pollution levels in those waterways and increasing the risk of flooding.

Green infrastructure, such as constructed wetlands, rain gardens, green roofs, bioswales, and porous pavement, reduces the volume of stormwater in the sewerage system and the amount of pollutants discharged to surface waters.

MMSD wants to expedite the amount of green infrastructure installed in its service area.

Greenfield plans to install green infrastructure that supports the District's green infrastructure goals

RECOMMENDATION:

Accept a grant from the Milwaukee Metropolitan Sewerage District to fund stormwater improvements as a part of the Honey Creek Stream Restoration project.

Greenfield will maintain the Project for at least eleven years. If the Project fails to perform as anticipated or if maintaining the Project is not feasible, then Greenfield will provide a report to the District explaining the failure of the Project or why maintenance is not feasible. Failure to maintain the Project will make Greenfield ineligible for future District funding until Greenfield corrects maintenance problems.

11. Permits, Certificates, and Licenses

The Greenfield is solely responsible for compliance with all federal, state, and local laws and any required permits, certificates, or licenses.

12. Procurement

Greenfield must select professional service providers according to the ordinances and policies of Greenfield. 13. Responsibility for Work, Insurance, and Indemnification

Greenfield is solely responsible for planning, design, construction, and maintenance of the Project, including the selection of and payment for consultants, contractors, and materials.

Greenfield is solely responsible for ensuring compliance with Wisconsin prevailing wage law.

The District will not provide any insurance coverage of any kind for the Project or the Greenfield.

Greenfield will defend, indemnify, and hold harmless the District and its Commissioners, employees, and agents against all damages, costs, liability, and expenses, including attorney's fees and related disbursements, arising from or connected with the planning, design, construction, operation, or maintenance of the Project.

14. Terminating this Agreement

The District may terminate this Agreement at any time before the commencement of construction. After the commencement of construction, the District may terminate this Agreement only for good cause, including, but not limited to, breach of this Agreement by Greenfield. Greenfield may terminate this Agreement at any time, but Greenfield will not receive any payment from the District if Greenfield does not complete the Project.
