

MINUTES OF THE LEGISLATIVE COMMITTEE MEETING HELD AT THE GREENFIELD CITY HALL ON MONDAY,
OCTOBER 2, 2023

1. Meeting Call to Order and Roll Call

The meeting was called to order by Alderperson Bruce Bailey at 6:20 PM.

Present: Alderpersons Bruce Bailey, Shirley Saryan, Andrew Drzewiecki

2. Election of Chairperson.

Motion by Alderperson Saryan to nominate Alderperson Drzewiecki as Chairperson and Alderperson Bailey as Vice-Chairperson. Alderperson Drzewiecki seconded Alderperson Bailey as Vice-Chairperson. [There was no second for Chairperson. This item will be added to the next Legislative Committee Agenda.]

3. Election of Vice-Chairperson.

Approved Alderperson Bailey as Vice-Chairperson in agenda item 2.

4. Approval of the April 3, 2023 meeting minutes.

Place on next agenda.

5. Review and discuss City parking regulations.

Alderperson Drzewiecki wished to discuss the city's parking regulations in regards to parking of large recreational crafts (i.e. boats) and commercial vehicles in the street overnight, specifically in the Mitchell Park Highlands subdivision. He discussed concerns from constituents over boats, commercial vehicles, trailers, landscape equipment, and other large vehicles being parked in residential street parking overnight multiple days in a row, making it difficult for residents to get around and into their driveways.

He proposed bringing these concerns to the City Attorney to see if an amendment could be made to the City's parking code to further restrict some of the items.

Alderperson Bailey said that he had gotten a complaint in the last six months about a resident parking a commercial vehicle outside of their house.

Alderperson Drzewiecki said that in a City of Milwaukee district, large commercial vehicles are required to be parked in a driveway, not on the street, overnight.

Alderperson Bailey recalled that there used to be overnight parking regulations in Greenfield before he was an alderperson, but now there are only regulations during snow emergencies.

Alderperson Bailey proposed sending a copy of the meeting minutes to the City Attorney to review and have another Legislative Committee meeting after receiving the Attorney's recommendations.

Alderperson Saryan discussed concerns about the length of time large commercial vehicles park on the street and in driveways, creating noise for neighbors; and that weight limits for residential city roads need to be reviewed and enforced appropriately.

6. Adjourn.

Motion by Alderperson Drzewiecki, seconded by Alderperson Bailey to adjourn at approximately 6:31PM. Motion carried unanimously.
