Ordinance to amend Section 21.06.0202(G) of the Municipal Code pertaining to commercial parking restrictions.

**SUMMARY:**

Currently, the Municipal Code is ambiguous on regulations for commercial vehicle parking on lots in the City. There have been a number of recent events that would have benefitted from stronger and clearer Code language relating to commercial vehicle parking. As such, the purpose of the proposed ordinance is to provide clarity for compliance.

On November 11, 2025, Plan Commission recommended approval of the draft ordinance amendment.
